PROFILE

Product designer with 4+ years of experience, blending UI/UX, system thinking and AI workflows to design and prototype digital products faster. I design products that look good and work even better. I have worked remotely with product teams in the United States and Nigeria, across lead-capture software and hospitality technology.

EXPERIENCE

Product Designer — **Apr 2022 – Present**
Upwork — United States

Ambassador — **Oct 2026 – Present**
Cowrywise · Full-time — Nigeria

Product Designer — **Jun 2023 – Aug 2025**
Oriald (formerly staynaija) · Full-time — Nigeria · Remote

Oriald is building an AI-native operating system for hospitality, helping hotels understand their operations, spot problems and opportunities, and automate execution.

Senior Product Designer — **Nov 2022 – Nov 2023**
Popl · Contract — United States · Remote

Popl is an AI-native go-to-market platform for lead capture at in-person events and conferences: scan badges, capture leads, enrich data and sync to CRM.
